MJCCA PRESIDENT'S REPORT

By Geoff Miki

After a two-year absence, the Japan pavilion is back in Folklorama!! The Folklorama committee worked hard to assure we wouldn't miss another year, as I think it was crucial to be back in the festival. During our two-year absence, we talked about the reasons for participating in Folklorama. In the end it always came down to one thing, strengthening our community. There are people that I only see at Folklorama and it brings different segments of our community together for this common goal. We make new friends, we see old friends and this is what our community is all about. I want to thank everyone that came out and pulled a shift, whether you were running down to hall looking for chicken, chasing after hooligans or cranking the ice in the Kakigori machine. This is the stuff that keeps our community strong and healthy. If the attendance for the first half of the week was any indication (I'm writing this to meet deadline on the eve of the final day), we are well on our way to a record-breaking year. Our return was eagerly anticipated by the public especially with all the attention our community has received after the Japan earthquake and tsunami and the fact that Japanese culture is fashionable and cool again.

So...as this is the President's report, you may have guessed, I'm back as President! I admit I was hesitant to serve another year because like everyone else I'm extremely busy, but I feel I have unfinished business that I would like to see come to fruition. The Connecting Generations committee will be planning activities for this fall, keep a lookout for our upcoming events. And the amalgamation committee is still working out the details of bringing our two organizations together. We'll keep you informed as we make progress.

**Do you have a project in mind that will benefit our community?
You may be eligible for a grant from the MJCCA Community Fund.**

Following the successful resolution of Redress in September 1988, the MJCCA Community Fund was established by a group of senior citizens in the community in appreciation of and in commemoration of:

- 1) the Redress Settlement, and
- 2) the people who passed away before September 1988 and who were not able to share the benefits of the Redress Settlement.

The main goal of the fund is to assist organizations, groups and individuals in undertaking projects that will:

- 1) Maintain, develop and ensure the growth of the Manitoba Japanese Canadian community, and
- 2) Promote educational, cultural, human rights and other activities and programs contributing to the betterment of our community and Canada.

Application forms are available at the Cultural Centre.
DEADLINE IS SEPTEMBER 30, 2011

Please note that applications must be submitted and approved BEFORE the project is begun. Please contact the MJCCA for more information.

Taste of Japan Under the August Moon

FOLKLORAMA 2011

After 8 months of meetings and organizing, the Japan Pavilion Committee members have finally had their hard work pay off with the successful week of Folklorama.

The 2-year absence resulted in higher attendance and sales this year. We had over 1,000 people attending the Pavilion each night. This includes general admissions, bus and VIP tours and other special VIPs.

And the theme of Taste of Japan Under the August Moon where guests could have a taste of food, beverages, entertainment and culture really enhanced the Pavilion. A very special thank you to Sam Matsuo for the beautiful banners, display signs and posters.

We would also like to thank our sponsors. International Meibukan Goju-ryu donated Level Gold(Kin) and King Insurance donated Level Silver(Gin). Other special sponsors were Manitoba Lotteries, Custom Drywall Manitoba Ltd, Old Dutch and Perths.

Thank you to all the volunteers that:

- helped to move all the items from the Cultural Centre to Sisler High School
- helped set up the stage and the rest of the Pavilion
- rolled, stuffed, and cut sushi and helped with prep work
- helped prepare, cook and serve food

- helped transport the food to the Pavilion and within the Pavilion
- operated the cash registers
- served and helped with bus tour and VIP tours
- helped serve at the bar
- shaved ice for kakkikori and helped to serve it
- managed the admissions and VIP admission tables
- greeted and helped guests in the Pavilion
- helped with security inside and outside the Pavilion
- performed and demonstrated on the main stage as well as the cultural display stage
- were emcee for the main stage and cultural display stage
- helped at the various tables in the cultural display area
- cleaned the eating areas, wash-rooms and swept and mopped the floors
- helped with Take Down of the Pavilion and moving everything back to their rightful places

How You Learn About Activities at the Centre

We will keep our web site as up to date as possible and for those of you

Harold Hirose Education Fund

As a major community worker, Mr. Harold Hirose was a driving force in the development of the Manitoba Japanese Canadian community. A founding member of MJCCA (1946) and NJCCA (1947), Mr. Hirose was also responsible for the formation of the Manitoba Japanese Canadian Cultural Centre in 1987 and served as the MJCCC's first president.

In memory of her husband, Harold Akira Hirose, Mrs. Florence Hirose is sponsoring one scholarship to assist the selected student in furthering his or her education. Mr. Hirose's legacy to the Japanese Canadian community will live on, thanks to Mrs. Hirose's generosity in awarding this scholarship to a deserving student.

Successful applicants will be selected based on academic standing, leadership experience and community involvement.

Application forms may be obtained at the MJCCC or on our website www.mjccc.org

For further information, please contact Jake at 774-5909.

The deadline for submissions is September 30, 2011.

with access to the internet, make sure you bookmark it (www.mjccc.org) and check it once in a while. We'll also email news from time to time to those members who have email, post news the old fashioned way on the Centre bulletin boards and of course use our highly visible electronic message sign alongside our property on McPhillips!
