FALL EDITION 2015 ISSUE #3 Volume 65, No. 1

President's Report - Art Miki

JCAM is again participating in Folklorama. Caroline Yamashita and the Folklorama 2015 Committee have been busy organizing the activities for the Japanese Pavilion from August 9 to 15 at St. Joseph's Hall on College Avenue. Thanks to the many volunteers who give of their time freely to make the Pavilion run efficiently and successfully. This year we will have a few out-of-town volunteers from the NAJC Young Leaders Conference who will be able to experience the festival first hand.

The NAJC Young leaders' Conference will be held in Winnipeg from August 7 to 9 at the Delta Hotel. Welcome to the delegates from across Canada who will experience friendly Manitoba hospitality. They will also tour the Canadian Museum for Human Rights as part of the program. Thanks to the JCAM organizing Committee led by MacKenzie Sato for arranging an interesting and thought-provoking program based on the human rights theme. A welcome reception will be held on Friday evening, August 7 at 7 pm at the Cultural Centre. Admission is $5. Everyone is welcome.

The JCAM picnic was blessed with a beautiful day although there were threats of rain. Even though the numbers of attendees were not as high as in past years, those in attendance enjoyed the many fun activities and the entertainment provided by Hinode Taiko and Taka Hattori and Kana Nemoto of Manitoba Kendo Club. Congratulations to Carleena Swire who won the 50/50 draw of $240. Thanks to MacKenzie Sato and Karynne Nekwinda for organizing the picnic and to MC David Labram. Thanks to Keiko Miki and Kana Nemoto for taking memberships and to Alex Miki and Kelly Koga for selling the 50/50 tickets.

Ken Teramura, Joy Letkemann, Yuhito Adachi and I met with Grant LaBossiere, the architect to finalize the plans for the building addition. After feedback and suggestions cosmetic changes to the exterior were made keeping in mind the expenditure limitations. The drawing has been included in this Outlook. We are hoping that construction can begin early September.

Kana Nemoto and I met with Ms Yoko Matsui, the leader of EISA Karakoro Drums of Japan, and two members of a group dedicated in preserving Okinawan culture through performances. The troupe consisting of over 60 members will be performing in Toronto and Niagara-on-the-Lakes this August. They had dropped into Winnipeg to look at venues for a performance and the possibility of stopping in Winnipeg next August. The group is stationed in Osaka.

I will be representing JCAM at the NAJC AGM in Victoria from September 25 to 27 and will be putting forward a motion "that NAJC provide a one-time grant to the NAJC member organization with cultural/community centres of $24,000 or to Supporting members for $4000 to assist with refurbishing, retrofitting or renovation of the building or in cases where no centre exists the money be used as down payment to purchase a facility or payment of rent for whatever time the grant will provide." The intent is to have some of NAJC funds used for enhancing cultural centres that are beginning to deteriorate. JCAM is also putting forward a motion to nominate Ken Teramura to the NAJC Endowment Fund Committee.

Thanks to the many volunteers who have helped with the School Program, the lunches, the dinners and catering, with the activities around the centre and have sat on JCAM committees and the Board. A Volunteer Appreciation Day will be held on Thursday, September 3. Volunteers notify the office if you're planning to attend.

If you are interested in Folklorama sponsorship you still have time to contact Joy Letkemann. Details are available at the office.

Enjoy the summer and join us at Folklorama.

Summer greetings from Hinode Taiko!

We had a really great time at our **Happi Hour fundraiser** back in May. The event was a huge success: great food and great performances by our guests Susan & Paul Hammer (and we hear the taiko drumming was good, too!). We are very happy to also let you know that we raised enough money not only to subsidize the registration costs for all of our members who attended the North American Taiko Conference (NATC) in Las Vegas, but we even had money left over to help fund maintenance efforts on our drums and other equipment. This would not be possible without your support, so THANK YOU! We are already planning a second annual fundraiser for next spring, so stay tuned.

Speaking of NATC, five of our members made it down to Las Vegas to cram as much taiko in a weekend as possible! These lucky members attended workshops and concerts, and brought back a wealth of taiko teachings to the rest of our group. It was a great source for learning new techniques and furthering our taiko skills.

We hope to see you at Folklorama as Hinode are performing at every show, so please come and say hello! As usual, we have our table in the cultural display area where you can pick up t-shirts, pins and other merchandise, as well as learn about taiko with some new interactive items. Another thing you can do at the cultural display table is **sign up for our fall workshops**. This year, the workshops will be held on Saturday, September 26 or Monday, September 28. Beginners classes will also follow the one-day workshops. The forms are also on our website at hinodetaiko.ca. Enjoy the rest of your summer!

JAPAN PUBLIC SCHOOLS PROGRAM (PSP) IS READY TO EDUCATE…AGAIN!

Our popular cultural exposition for elementary school students, Japan PSP, is already over 60% booked for the coming year attesting to its popularity with the education system in general and teachers in particular. Last year we hosted about 1,300 elementary school children educating them about Japanese culture and heritage. This school year, we're expecting a similar number so if you can volunteer some of your time to help and know Shodo or Origami please give Jake a call at the Centre. **Children's Week** will take place May 2 – 6, 2016. In that one week we host over one-third of our school children.

Work It Out With Hinode Taiko!

It's back by popular demand! The tremendously engaging, slightly demanding and fabulously fun **Hinode Taiko Fall Workshops**. Sign up now for either Saturday morning, September 26 or Monday evening, September 28. Beginners classes will also follow the one-day workshops. The forms are on the HT website www.hinodetaiko.ca (you need to download them and fill them in completely to be able to learn how to drum the Japanese way!)

HORIZON CLUB NEWS

Every Wednesday, there are about twenty-five to thirty members who come to take part in our activities of exercise, tai chi, cards and have a delicious lunch. With the weather warming up, we hope more members will join us at the Centre.

It was a wonderful way to welcome summer and to end the year for the Horizon Club. Almost 50 people attended the annual Natsu-no-Atsumari luncheon. The bento box, catered by Yujiro, was a delight to the eyes and palate. After dessert, several games were played. Names were drawn and contestants, who were divided into Team Canada and Team Japan, vied for prizes. There was much laughter by players and those watching.

Special thanks go to Valerie Hoshizaki Nordin, Paul Bainbridge, Judy Mizuno, Lena Takatsu and those who helped with the set-up and clean- up. We acknowledge and thank Lucy Yamashita and Caroline Yamashita for their generous donations. **The weekly Wednesday gatherings will resume on September 2, 2015.** Come on out and enjoy exercises, tai-chi, card playing and of course the delicious lunch. Membership fees will be due for the coming year.

Speak Truth to Power Canada - Defender for Human Rights, Art Miki

On July 17, 2015 in Ottawa, at the Canadian Teachers' Federation AGM, Speak Truth to Power Canada was launched with the introduction of 6 of the 12 Defenders for Human Rights from diverse backgrounds from across Canada including; Arthur Miki, Louise Arbour, Remzi Cej, Leonie Couture, Jeremy Dias, Rick Hanson, Dr. Gilles Julien, Dr. Wilton Littlechild, Timea Nagy, Rosemary Sadlier, Mary Simon, and Tim Thompson. Their pictures appear below.

Speak Truth to Power (STTP), a global program originated by the Robert F. Kennedy Human Rights, is a multifaceted human rights education resource for schools that uses the experiences of courageous human rights defenders to educate and inspire students to take positive action. Issues covered range from crimes against humanity and children's rights activism to Indigenous self-determination and citizen participation.

STTP began as a book, written by Kerry Kennedy, Speak Truth to Power Human Rights Defenders who are Changing Our World (2000), since translated into seven languages in multiple countries, including Sweden, South Africa and Japan. Photos from the original book by Pulitzer Prize-winning photographer Eddie Adams have been made into an exhibition, displayed on four continents.

A collaborative partnership project with Robert F. Kennedy Human Rights, led by the Canadian Teachers' Federation with the Canadian Museum for Human Rights, the Assembly of First Nations, and the Inuit Tapiriit Kanatami, focuses on Canadians that are making a difference at home and abroad.

The meaningful part of this project for our community is that by using the profile of defender Art Miki, teachers and students will be exposed to the history of Japanese Canadians and the struggle of a community to seek equality and redress.

In 2015, a Canadian adaptation titled Speak Truth to Power Canada, Defenders for Human Rights will be accessible to students around the world on the Internet and mobile devices in English and French, with some lessons available in indigenous languages. Check the site for more details about the Defenders, the Partners and this project.

MOVIE AND BENTO

The Twilight Samurai

Set in a northeastern province (Shonai) in late nineteenth century Japan, the film tells the story of Seibei Iguchi (Hiroyuki Sanada), a low-ranking, debt-ridden samurai who, after losing his wife to consumption, struggles to care for his two young daughters and senile mother. Emphasizing the conflicts between duty and family, and love and class rank, director Yoji Yamada has created a film that is **deeply engaging on several levels: a classic tale of honor, love, and courage.**

Winner of 12 Japanese Film Academy Awards, as well as an Academy Award Nominee for Best Foreign Language Film, The Twilight Samurai lives up to its billing.

If you have been a volunteer for any event at our Centre, this is the night for you! We want to say "thank you" in a tangible way by giving you food and drink, camaraderie and some fun games. The evening starts at 6 p.m.. If you know volunteers who are not JCAM members and perhaps will not see this notice, please tell them about it. HAROLD HIROSE EDUCATION FUND

Mr. Harold Hirose was a driving force in the development of the Manitoba Japanese Canadian community. A founding member of MJCCA (1946) and the National JCCA (1947) he was also responsible for the formation of the Manitoba Japanese Canadian Cultural Centre (1987), serving as its first president.

In his memory, Mrs. Florence Hirose established the Harold Hirose Scholarship Fund to assist selected students from the Japanese Canadian community in furthering their post secondary education. Additional contributions to the Fund were made by Mrs. Hirose and the children of Harold and Florence so as to increase the scholarship amount and widen the eligibility criteria.

Scholarship Award
Each year JCAM will offer scholarship(s) up to a total amount of $1,500 to the successful candidate. The Selection Committee may award up to two scholarships in the amount of $750 instead of a single scholarship if there are two applicants which are superior to all others and are both equally qualified to be awarded the scholarship. In an event that there is no scholarship awarded in any given year due to a lack of applications or that no applicant met the minimum selection criteria, the amount of the scholarship for that year will be added to the following year's funds, so that, $3,000 would be available for the following year.

Who can apply?
Any person who is enrolled at a post secondary institution, resides in Manitoba and who is of Japanese ancestry or who is a member of the Japanese community in Manitoba.

To Apply:
Please pick up application form at the Cultural Centre, 180 McPhillips Street, Winnipeg (204-774-5909) or on line at www.mjccc. org . Completed applications must be received by the JCAM Scholarship Committee by September 30, 2015.

For further information contact Jake Marks. JCAM Administrator (204-774-5909) or m.jccc@shaw.ca

FIFA Women's World Cup 2015

Winnipeg was host to seven World Cup matches from June 8 to 16. For those 9 days, Winnipeg was a hub of activity with fans watching teams from Sweden, Nigeria, USA, Australia, Thailand, Germany, China, New Zealand, Ecuador, and Japan play their matches at Investors Group Field.

Over 200 fans from the Japanese community came out to support the Japanese team battle Team Ecuador on June 16. Most of us sat in section 137 taking advantage of a discount offered to us by the FIFA organizers. The Ecuador fans sat in the next section, so there was some boisterous cheering from our end of the field.

Along with the action on the field, there was a lot happening in the stands. Consul General Tamura and his wife travelled from Calgary to watch the game and were very impressed with our enthusiasm. Japanese flags, tee shirts courtesy of Be Positive Team-based coaching and Real Streetwear Company, painted faces, drums, and strong voices propelled the Japanese to a 2-1 victory.

Now I am not a huge soccer fan, having never seen a soccer game before, but even I could see the tremendous skills of Team Nadeshiko, the name being a floral metaphor relating to the perception of an ideal Japanese woman. Japan was the defending champion, having beaten the USA in the 2011 FIFA World Cup. They were the first Asian team to accomplish this feat.

Japan made it to the finals again this year, but unfortunately were soundly beaten by the USA, 5-2. I thoroughly enjoyed my first experience at a professional soccer game. However, I must admit that I watched the action in the stands as much as the play on the field! An excellent time was had by all.

Japanese Language School (日本語学校(にほんごがっこう)

There has always been a high level of interest in Japanese Language. This interest increased with the advent of Manga as well as the internet and the ready availability of Anime, not to mention the increased popularity of Japanese foods and restaurants. Many consider the knowledge of Japanese good for their future careers; some seek the knowledge and wisdom of an ancient language; others simply find it "cool". The level of interest is evidenced by our enrolment levels which have increased annually. Below is our Fall/Winter offering of Japanese Language Classes. We urge you to sign up early and certainly no later than Registration Day September 12, 2015. See Registration Form (following page) for particulars about dates and refunds.
