2019 FALL EDITION

President's Report – Ken Teramura

I hope this Outlook finds you enjoying your summer and allowed you to spend time with your family and perhaps even get away for some well-deserved down time. Typically the summer is slower for JCAM with the Centre being closed for three weeks in July. However, lots has happened since my last report. Front and centre has been the renovations to our meeting space. Demolition started in late June and it looks like the project should be completed by the end of August. One outstanding piece will be the living mural whose completion date is slated for October/November.

JCAM participated in another Ai-Kon summer convention at the end of July. Many thanks to the Ai-Kon executive for a well-run event. Also, kudos go to Grant and Cindy Voakes for all the work they put into the JCAM room. We look forward to returning next summer. As many of you know, JCAM has revised our website. Even if you are not on Social Media, you will have seen news regarding membership renewal as well as EISA news. Thank you Kelly Kaita for your hard work.

We have focused our efforts on obtaining corporate sponsorship. Money raised this way will be used to enhance our existing programming and allow the Board to offer new programs. The sponsors are listed below this report. We welcome new sponsors Hashi Food & Entertainment (Yujiro, Saburo & Gaijin Izakaya restaurants) and Omori Diamonds. We will be featuring our sponsors in upcoming editions of the Outlook so you can learn more about them. Thank you to all of our generous sponsors. Starting in September, The **Manitoba Bonsai Society** will be utilizing our Centre for their monthly meetings and annual workshop. Welcome Scott Samson and your entire group. We look forward to seeing you in the Centre.

To oversee the running of the Centre, it takes many hands. We are fortunate to have such an energetic Board of Directors to provide stewardship to our community. To this end, I am sad to announce the resignation of Karina Uehara and Sadao Ono. Thank you both for your service and leadership.

As I write this report, we are very excited about Folklorama and our new Japanese Pavilion location, Petrus Hall at 2624 Inkster Blvd. If you are not volunteering, please visit the Pavilion (Aug 11-17). We are extremely excited to welcome back Karakora EISA for a third year. This amazing performing group from Osaka will be performing at the Pavilion on Friday night, August 16 and at the Canadian Museum of Human Rights on Sunday, August 18. (Did I say the summer is typically quiet?) As that season draws to a close and September approaches, our fall programming starts up again. We look forward to offering a wide slate of programming as well as our second annual Obon Odori September 7. We also have the honor of recognizing our elders on September 29 at Keirokai. Hope you had/are having a great summer and thank *you* for your support! Ken

Members Drop In \$10. per class Non Member Drop in \$15. per class (classes will be cancelled if there are insufficient registrants). You can register online at our website. *There's zest in Zumba!*

Remembering Moe Koga

Masami (Moe) Koga passed peacefully, Saturday May 25, 2019 at the age of 87. To say Moe was a fixture at the Centre is an understatement. Moe volunteered every Thursday and Friday and did so for decades. He was a valuable and positive volunteer, so much so they named a room after him. "Moe's Room" contains a cornucopia of nuts, bolts, tools, food service stuff, ladders, paints – all the stuff needed to keep the Centre humming. Moe was among the last of a long-time dedicated group of Centre stalwarts that included the late Mark Koga and Connie Matsuo. Moe fixed things. A *lot* of things over the years. Burned out lights and faulty fixtures (there are hundreds of different bulbs here). Electrical outlets. Dripping taps. Running toilets. Dirty windows. Broken things. Holes in walls. Tables and chairs. Parking lot weeds. Moe shopped for supplies and groceries. And before every Donburi Moe made his much sought-after satsumage. Moe was a man of few words but when he did say something, it was well worth listening to. Moe was amazingly well-informed about this city's business environment. Maybe his years working at McLean Electric gave him that inside knowledge. Mutual interests in the business world proved a bonding force between Moe and I and I'm glad I helped Moe discover the great taste of Tim Horton's chili! We had a lot of it and shared many a story over lunch. Moe was resourceful, helpful, kind, wise and generous and a great supporter of this Centre. Moe, we all miss you...just like an idiot misses the point (he'd have liked that saying)! JM

Digital Media Centre Nearing Completion

The JCAM History Preservation Committee has been assembling a collection of materials on Japanese Canadians in Manitoba to be placed into a digital file for community members and others who wish to access this information. This project consists of a station where the data is inputted and stored and a website where people can access photos, documents, newspaper clippings and oral interviews. The website will also be linked to other sites so that the users can access videos and documents related to Japanese Canadian history. A media centre has been developed as part of the current renovations where users can use a touch screen monitor or I-Pads to retrieve the data.

All of this will be ready shortly and the Committee will arrange information sessions to demonstrate the use of the Media Centre and the contents that one can access. This project is at the beginning stages and so we are looking for people who wish to donate photographs and documents to be included in the data base. The Committee encourages individuals to contribute their family history with photographs for the site. If you have old articles, letters and documents stored away that you want to share, contact a committee member.

The Committee members involved in this project are the following:

- Keiko & Art Miki
- Florence Mitani
- James Sinnock
- Clara Kusumoto

JCAM wishes to thank the following groups for grants towards the development of a history preservation website and a digital Media Centre.

- New Horizons for Seniors Program (Federal Government)
- Heritage Grants Program – Manitoba, Sport, Culture and Heritage
- Frank H Hori Charitable Foundation
- Harold Hirose family

The summer went by fast didn't it—a little late in starting, then really hot and humid. With the shorter days starting now it must mean the Horizon Club will be beginning its weekly get together on Wednesdays. Because of JCAM renovations to the library and boardroom areas, the start date for Horizon is still has to be finalized but it should be early September (probably September 11). We'll email

everyone and phone those who don't have email.

We're all looking forward to getting our Wednesday lunch at the Centre but don't forget we'll also have the usual tai-chi before lunch, card games and lots of camaraderie. Throughout the year there will be fun and interesting activities.

Already set is a bus trip to South Beach Casino on Monday, October 7. It's simple...you meet at the Centre and leave your car there. The bus leaves at 9 a.m., takes you to the casino and after you've had the included buffet lunch and won a pile of money the bus leaves South Beach at 3 p.m. for the return! Pay \$25 cash to Theresa, Alice or Lucy gets you a *ticket to ride*. Do it before September 23.

On May 15 JCAM and the Horizon Club hosted the Ambassador of Japan to Canada, His Excellency Kimihiro Ishikane on his first official visit to the province of Manitoba. Other guests included: Mrs Kaoru Ishikane (Ambassador's wife), Mr Shunichi Inoue - Counsellor, Embassy, Mr Kohei Sakamoto - Consul, Consulate-General of Japan in Calgary and Mr Ken Zaifman - Honourary Consul General of Japan in Winnipeg. The Ambassador

and his wife enjoyed touring the Centre and chatting with Horizon Club members.

JCAM President Ken Teramura and the Ambassador.

The JCAM garden is a hidden treasure for many!

Japanese Ambassador Kimihiro Ishikane and his wife Kaoru visiting JCAM.

Our last lunch before the summer break was on June 27 – our annual Natsu No Atsumari lunch. This year the lunch was catered by Izakaya Edokko who provided a delicious bento for everyone. This was followed by bingo and prizes. If you are 55 years young and up, you are welcome to join the Horizon Club – as the saying goes “the more the merrier”. Membership is only \$5 per person for the year. Lunch for members is \$4 and for non-members is \$5. **Please come and join the fun and delicious home cooked meals any Wednesday.** More at the JCAM website www.jcamwpg.ca.

Mickey & Ron. Not only do they golf together... they putter along with bingo

It took 3 cars to pick up the Natsu no Atsumari bentos from Yujiro!

Natsu no Atsumari was last year's “closer” luncheon catered by Yujiro. Yummm good.
