Gaman: Honouring our Survivors

June 4, 2022

President's Message

Dr. Kelly Kaita

The centre is starting to re-emerge from the longstanding closure due to COVID – 19 and let's hope that Monkey Pox does not replace this viral pandemic.

Since our last meeting, a lot has transpired. Most importantly we celebrated our Japanese Canadian Internment Survivors at the Gaman dinner which took place on June 4th, 2022, at the Canad Inns Polo Park. Over 230 individuals were in attendance. This event also celebrated Keirokai as part of the overall celebration. At the event we heard from the outgoing Mayor, Mr. Brian Bowman and our Deputy Consul General of Japan in Calgary, Mr. Tomohiro Nakagaki. The event was a tremendous success thanks to the challenging work of the dinner committee.

In June we also saw the release of "Manitoba Moments". This was a grant obtained by JCAM and was overseen by Art Miki who with a small army of individuals created 12 vignettes which highlight the history of Japanese Canadians in Manitoba. These are available for viewing on the JCAM YouTube channel.

The old trailer is finally has been replaced by a newer 20 ft unit which frees up so much of our parking space. Innovair was kind enough to repair a lot of our asphalt adjacent to their new addition as well as under the old trailer.

Rakugo was held at the centre on Saturday June 18th, 2022. This is the first time that this 500-year-old tradition was celebrated at the centre by performer Katsura Fukuryu. It was a sold-out event and so many people asked whether we would hold such an event next year. We hope to do so with Katsura-san's sensei performing also.

Thank you to all the sponsors and donors that have been so generous! We have asked our corporate sponsors to write a brief note on their company for you to read and learn about what they have to offer and their connection to the Japanese community. This will be published in our Fall Outlook. Our family donors have been so AMAZING! We asked for financial assistance to make the new renovation of the kitchen a reality. This will create a whole fresh look for our commercial kitchen but also new cabinetry for the main hall coffee area. Thank you to all of you who have made the commitment to better the centre!. If you still want to donate, please do so since we still need to upgrade the Sushi room to comply with Manitoba government health standards. We are also creating a janitorial room to make keeping the centre clean so much easier. One last note is that we will finally have a water bottle filling station. So let us keep garbage and recycling to a minimum to do our part – BRING YOUR OWN WATER BOTTLE!

On a final note, the Japanese Language school held graduation on Saturday June 18th. Another remarkably successful year for the school. Congratulations to all the teachers, teacher aides, and committee members! Well done!

Gaman: Honouring our Survivors Dinner

Thanks to a \$10,000 grant from the Japanese Canadian Survivors Health and Wellness Fund, JCAM and the Manitoba Buddhist Temple hosted a dinner honouring Japanese Canadian survivors who were impacted by the internment and displacement during the war. The event was held on June 4, 2022 at Canad Inns Polo Park. The date marked the 80th anniversary of the arrival in Winnipeg of the third trainload of Japanese Canadians from BC.

The dinner was a huge success with 230 people in attendance. It was so gratifying to witness our survivors' excitement at seeing one another and other guests especially after the last couple of years of COVID lockdowns. The room was abuzz with chatter and happy faces. We were able to identify 140 survivors of which 78 were in attendance.

The keynote speaker was Susanne Tabata, NAJC director. She is the BC Redress Project Director and the NAJC lead in the BC redress efforts. Also in attendance were Deputy Consul General Nakagaki Tomohiro, Mayor Brian Bowman, Honourary Consul Ken Zaifman, and MLA Jon Gerrard.

On May 21, 2022, BC Premier John Horgan made an announcement about \$100 million in funding to support the legacy initiatives recommended by the NAJC. He acknowledged the hardships and trauma people suffered before, during and after the war due to actions or inactions by the BC government. A recording of the announcement was shown at the dinner, and copies of the "Acknowledgement of Internment and Japanese Canadian Legacies in BC" were distributed to survivors at the dinner. Copies were subsequently mailed to those who were unable to attend. If you are a survivor and have not received a copy please contact the JCAM office.

Most of you will be interested in seeing the pictures by our official photographer, Sandra Shibata. Many thanks to Sandra for her excellent eye in capturing the evening. ***Please see a sample of the pictures on the following page.***

Seniors' Bento Delivery Service

With thanks to the Japanese Canadian Survivors Health and Wellness Fund, JCAM delivered bento to 36 survivors who are shut-ins. Bento were delivered on May 14th and June 11th. Delivery service will continue to the end of 2022 when the grant funds will run out. The bento are being catered by Edokko Japanese Food. Many wonderful thank you messages were received from the recipients or their families.

HORIZON CLUB

The Horizon Club had an eventful year with delays and temporary halts due to Covid. After the cancellation on April 13th due to the winter storm, we were able to carry on with our Wednesday gatherings uninterrupted until our summer break.

Thanks to our cooking teams, we were well nourished with great lunches. The Ono's often helped, especially with delicious soups. On June 29th, we enjoyed our Natsu No Atsumari lunch prepared by Chef and Mrs Ono, with help from other Horizon members. We had delicious bento, cake, and beautiful manju from Mona Hiebert. There were 75 in attendance. After lunch we had chanoyu (tea ceremony) – thank you to Yayoi Brandt, Sachiko Ono, Yoshiko Matsubara, and Yuriko Mukumoto.

On April 27, we welcomed guest speaker, Elizabeth Ready, PhD, Professor Emerita from the Faculty of Kinesiology, who gave a talk on the importance and benefits of physical activity. In May, we introduced a short exercise program before lunch with a few short exercise videos made for us by local fitness instructors. These are played before lunch for all to participate in and it is wonderful to see that many do and enjoy.

Horizon members, Lila Conarro, Thomas Yamashita, Theresa Oye, and Marlene Mori took training and received accreditation from Active Aging in Manitoba to be peer leaders in their Steppin' Up with Confidence exercise program which is designed for older adults. We are planning on leading our Horizon members in safe exercises at our Wednesday lunches. At the formal evaluation, we led a class to over a dozen volunteers who said they enjoyed the class.

After the summer break, we plan to start Horizon Club lunches on Wednesday, September 7th. Our membership has grown to 109 members aged 55 to 95. We would love to have more members join us. Membership is open to all JCAM members 55 and over. Please join us, membership is \$5 and lunch is \$5 (\$7 for guests). We always enjoy good food and wonderful camaraderie.

Thank you to the following for the donations:

JCAM's Rakugo Evening with Katsura Fukuryu

In a first for the cultural centre, JCAM hosted the 500 year-old traditional artform of Rakugo on Saturday, June 18, 2022. The star of the show was Winnipeg born and raised, Katsura Fukuryu (Derek Cavers), a member of Kamigata Rakugo Katsura Clan in Osaka, Japan. It was a full house with JCAM members and guests excited to experience the English performance which included two main stories and a few short stories intertwined with explanations about the art of Rakugo.

Katsura Fukuryu was accompanied by the "ohayashi", a live band of taiko, shamisen, and other traditional instruments. Thanks to local musicians Akane Akamatsu, Yuko Nozoe, Margaret McKenty, and Asako Yoshida for providing the musical interludes.

Many thanks to Chef Ono and his team for preparing the delicious bento and to all the volunteers who gave their time to assist with the evening. As well, many thanks to the organizing committee of Yuhito Adachi, Kelly Kaita, and Pamela Okano.

It was an entertaining evening to remember! We hope that Katsura Fukuryu will return for another performance at JCAM in the future.

JCAM extends its appreciation to the sponsors for the evening:

Behind the Scenes at JCAM

There is a lot of action that happens to keep the centre running and we cannot thank our volunteers enough for their dedication and generosity of time. Here's a hint of some of the projects recently completed or on the go:

Out with the old and in with the new!

It was a rainy, humid Sunday at the end of May when a hard-working crew cleaned out the old trailer. The items have been sorted, culled, and reorganized in preparation for the new, smaller trailer that arrived in early July. All items will be placed in the new trailer after Folklorama. Many thanks to the incredible clean-up crew: Debra & Satoshi Takeuchi, Ken Teramura, Lucy Yamashita, Jennifer Hashimoto, Peggy Emmond, Dave Edwards, Paul Bainbridge, Jim Suzuki, Grace Laririt, Sylvie Landry, Les Kojima, Niina Tsuyuki, Dariyan Tsuyuki, Kelly & Lisa Kaita, and Pamela Okano.

Adding even more beauty to our garden!

Our amazing resident gardener, Ray Normandeau, has been hard at work planting new foliage to the enhanced front garden area. He quietly takes care of our garden which now has a beautiful, defined path of entry. Thank you for all your hard work, Ray!

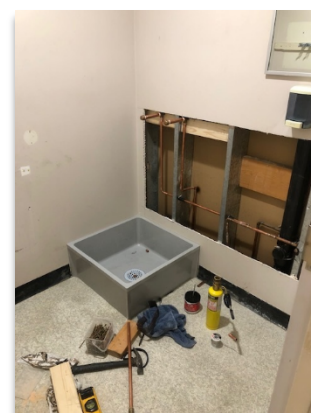

The improvements continue!

Our maintenance crew now has better access to water supplies to keep our centre sparkly-clean with a new sink basin installed in the west hallway.

JCAM members are now able to have fresh, filtered water at their fingertips! Bring your water bottle and drink to your heart's content with our new water dispenser in the west hall.

Many thanks to Glen Grabowski, Justin Abraham, and the crew at Advance Services for the installation.

RENOVATIONS AT JCAM

The renovations of our sushi kitchen have begun! New floors, ceiling tiles, and LED lights will be installed in August.

The main kitchen renovations are being finalized with installation planned for December 2022.

We thank everyone for their support with the upgrades to JCAM.

MANITOBA KENDO CLUB

The martial art of kendo has its roots in the swordsmanship of the Japanese Samurai. It develops the physical techniques and skills which evolved from the sword fighting of Samurai.

Through subtle methods and approaches, kendoka (kendo players), become mindful of the Samurai code of conduct and the way of life the Samurai followed. These all are still important to consider with the practise of kendo. Building of the human character through the practise of Kendo is a stated aim from the International Kendo Federation.

The Manitoba Kendo Club has been a member of the Canadian Kendo Federation since 1968. It is a not-for-profit organization whose purpose is to promote, share and practise Kendo.

The Manitoba Kendo Club practises at the Japanese Cultural Association Of Manitoba, 180 McPhillips Street.

HINODE TAIKO

Despite the challenges of practising with fewer bodies in the JCAM gym than we would normally allow in pre-pandemic times, we've had a busy and productive spring under the leadership of our Artistic Director Yuko Nozoe. Hinode Taiko performed June 5 at The Cube for Asian Heritage Manitoba's Asian Heritage Month closing; and July 1 in Bridgewater Park for the Winnipeg Chinese Senior Association's Canada Day Celebration (incidentally contributing to the current Guinness World record of 7 minutes' continuous rolling by the world's largest number of drummers playing at one time); as well as corporate/private functions on May 28 (Save-On Foods), June 4, and July 2 (Miniso St. Vital Centre – livestreamed to Facebook).

Hinode Taiko members enjoyed forming part of the Ohayashi accompanying visiting rakugo artist Katsura Fukuryu on June 18.

Hinode Taiko members also delivered a well-received school outreach event at Inkster School June 24, for students from Grade 2 through Grade 6. This consisted of a light and lively guide to taiko, from its traditional role accompanying local festivals and ceremonies in Japan to its recent development as a unique performing arts genre also flourishing in many other countries around the world.

On June 25, all members of Hinode Taiko (performing members and Genki Daiko community group members) happily rendezvoused in the JCAM parking lot for our 2nd annual end-of-season Happyoukai, sharing snacks and demonstrating for each other our newest pieces and works-in-progress.

Where can you see Hinode Taiko next? Members will be performing at the RBC Convention Centre July 17 (49th World Polymer Congress) and July 22 (Ai-kon Opening Ceremonies), as well as at Assiniboine Park July 23 (Folklorama Kickoff).

Meanwhile, Genki Daiko members will be travelling to Alberta to take part in the Calgary Regional Taiko Gathering "Stronger Together" July 22-24, to enjoy shared performances and skills workshops as well as informal networking and community building.

You can count on seeing Hinode Taiko at the Japan Pavilion of Folklorama in Petrus Hall July 31 through August 6 (both onstage and in the display/souvenir space). And of course, we'll be taking part in this summer's Bon Odori in late August – stay tuned for more info. We look forward to seeing you there!

For more information about Hinode Taiko, visit their website: www.hinodetaiko.ca
